## COMPANY PROFILE

### CIXI XINGRUI FISHING TACKLE FACTORY

Cixi Xingrui fishing tackle factory is located in Cixi, Zhejiang. It is a professional manufacturer of carp fishing tackle.

We have more than ten years of production and design experience. Our fishing tackle alarm, swinging device, fishing rod support and other products are exported to France, Germany, England, Poland, Denmark, Hungary, Russia, Ukraine, Czech Republic, Romania, Croatia and other countries and regions, which are deeply trusted and praised by our customers. Our products have many design patents, EU CE certification and ROHS certification. We accept OEM and ODM orders. We sincerely welcome customers from all over the world to establish long-term business relationship with us. We will provide you with excellent quality, affordable price, fast delivery and good service. If you are interested in any of our products, please contact us for more information.

We look forward to your coming. Thank you very much.
